

Antioch Township Library  
Antioch, Illinois  
**New Season Opened**

PM&L's Season Ten opened with Oh's and Ah's as everyone in attendance at the premiere opening of "My Three Angels" directed by Don Beveroth marveled over the improvements made at the PM&L Theatre, 877 Main St., Antioch.

A newly paneled and painted lobby greeted theatre goers as they stepped across the freshly laid tile. The entire auditorium is painted and a lowered ceiling suspended. The stairway leading to the basement is carpeted and the basement rest rooms and coffee lounge are sparkling with brilliant color.

The work was done entirely by PM&L members and friends working into the wee hours of the morning these past weeks. Special thanks go to the State Bank, Ace Hardware, Lakes Tile, the Antioch Lumber and Coal Co. and A&B Printing Service for donations of money and materials. There is much left to be done but PM&L feels it is off to

a good start.  
"My Three Angels" is a Broadway comedy hit about three paroled convicts who turn all their criminal skills to helping out a family in peril of being swindled legally. Dr. Al Bucar, Duane Wolfe, and Ron Koules outdid themselves as the three convict-angels.

Other cast members include Jerry Pattera, Fran Walpole, Gigi Spittle, Don Beveroth, Jay Horton, Marian Schultz, and Wayne Bentel.

"My Three Angels" will be playing for two more weekends, Friday and Saturday nights, November 13, 14, 20 and 21. Curtain time is 8:30 p.m. Call 395-9702 for reservations.

Season tickets are still available throughout the showing of this first play. Other productions will be "Barefoot in the Park" in the winter and "Miracle Worker" in the spring. Call the above number to order. They will also be on sale in the lobby.

## Legion Announces Oratorical Contest

The 10th District of the American Legion, with over 5,000 members in Lake County, has issued both an invitation and a challenge to the County high school students, teachers and school administrations.

For completing a simple week-end assignment, 2 to 2½ typed pages (1,000 to 1,200 words), a high school student may win a medal for only 2nd best in the Lake County District; the winner receives a 21-inch high gold Orator's Traveling Trophy with his name and school engraved on it for his school display case, a medal for himself, and a chance to compete in a four-district Division contest. Another medal and a \$100 scholarship is given for only 2nd best in the Division; the winner receives a \$400 scholarship. The five Statewide Division winners compete for up to an \$8,500 scholarship.

The contest is on a subject that should be of interest to all students — their rights and responsibilities under the United States Constitution — their freedoms and limitations under the American Constitution as compared to other forms of government. The contestant is to deliver a memorized oration, a mere 1,000 to 1,200 word, on some phase of the Constitution of the United States of America which will give emphasis to the attendant duties and obligations of a citizen of our government, as well as the privileges. The Oration is judged primarily on content — 70 points being given for content, and 30 points for speaking skills.

Dr. George Jensen, Americanism Chairman for the American Legion Antioch Post No. 748, invites students at Antioch Community High School to enter the 33rd Annual High School Oratorical Contest. The Post will assist the school in selecting a representative to compete with other Lake County high schools in the District contest.

Dr. Jensen points out that these scholarships are unrestricted grants, and are not based on a "means test". They may be used in any accredited American College. Students wishing to compete for the scholarships should contact School Superintendent Albert L. Dittman, Post Commander

Donald Gaston or Dr. Jensen. Every high school in Lake County may have one contestant in the Lake County District contest. The school contest must be completed on or prior to January 22, 1971. The District contest will be held the week of February 2-5, 1971. A school level contest before a student class or assembly is desirable to give contestants experience in competing under the National American Legion rules.

The challenge to the students, teachers and school administrations was issued by the American Legion's 10th District Americanism Chairman, J. Bronson Gridley. In his letter to Lake County high schools, Gridley wrote: "With all the student interest in their Constitutional rights, in the election and law-making processes, it seems strange that some schools in Lake County did not have even one student willing to present an oration on this topic last year, even without considering the listed awards. Can it be that many students are indifferent to their responsibilities, or fear to present the alternative forms of government?"

"With all this student interest in Constitutional rights, and the obvious relationship to English composition, History, and allied courses, it seems sad that teachers of these subjects were unable to motivate even one student in some high schools to compete on the Lake County level last year. Surely, it would be appropriate to assign a theme for credit, or an optional theme for extra credit, on this topic. Can it be that some school administrations, and teachers, neglect to present the problems and limitations of alternative systems of government and fear to reveal their neglect?"

Gridley pointed out that there are many articles showing how Socialist-Communist governments punish those who write criticizing their governmental policies; books have been written by those who have fled Russia; many reference sources are available about the Socialist government of Hitler; and many newspaper stories printed about those who have attempted to escape over the Berlin Wall or to flee Castro's Com-

## Santa Claus Is Coming To Antioch On Nov. 28

'Cousin Otto' the circus clown is coming to town.

## Circus Clown Coming

Yes, a real Circus clown is coming to Antioch and will appear at the Shoe Box. Lew Simon store owner is most happy to bring to our community "Cousin Otto," popular Wisconsin clown who has delighted children for almost 32 years.

Gene Lee, by his real name comes from a family of show and circus people. His father just recently retired from 60 years of public relations for major circuses and theatricals.

Lee himself has completed a full year of special clowning for the Anniversary of 100 years of Circusdom held recently in Delavan, Wis.

His grandfather, John F. Lee, (Continued on page seven)

Santa Claus is coming to Antioch.

Once again that jolly old gentleman will make his appearance for the kickoff of the holiday season.

St. Nick will arrive at 10:30 a.m. on Nov. 28 via helicopter, at the village parking lot.

He will set up headquarters in the Rescue Squad Building where he will talk to the children and give out candy canes.

The visit is once again sponsored this year by the Antioch Chamber of Commerce which will pass out forms to be distributed to the merchant, and children under the age of 12, accompanied by parents, will fill out the forms

and deposit them in a box.

A drawing will be made after Santa's arrival and the youngsters whose names are drawn will be entitled to a ride in the helicopter.

Last year about 200 children were given rides.

Music will be broadcast during the Holiday Season as in the past years.

The Chamber of Commerce has completed plans for decorating Antioch for the Holiday Season.

The Chamber will purchase stained glass candles to decorate the street poles.

Decorations from previous years will also be utilized.

## Antioch Township Assessment Roll For 1970

The assessment roll for Antioch Township as certified by the Supervisor of Assessments appears on pages 1 to 22 in Section Two of this issue of The Antioch News. Every property owner of Antioch Township should make it a point to check the amount of his assessment.

Any property owner who objects to the amount of his assessment should file a complaint with the Board of Review, Room 603, Lake County Administration Building, Waukegan, Illinois WITHIN TEN DAYS from the date of this assessment roll.

## Builders To Talk On FHA

The future of federally subsidized housing and the FHA-235 program will be the topic of the Home Builders Association of Lake County general membership meeting on Nov. 16 at the Parkway Restaurant in Waukegan, according to an announcement by Jack Lageschulte, president of the association. A cocktail hour at 6 p.m. will precede dinner at 7 p.m.

A panel of experts to discuss the topic will be headed by Robert Spillane, first vice president of the Lake County group and president of Hailmar, Inc. of Zion, and John Zok, loan specialist in the Mortgage Credit Department of FHA in Chicago. Completing the panel are 2 Hallmar associates, Fred Sealy, sales manager, and Phil Rockcastle, mortgage manager.

Hailmar builds homes exclusively under the 235 program which provides a federally subsidized interest supplement to afford people in lower income brackets the opportunity to own a home.

## Clean-Up Drive Is Saturday

The Students for Environmental Awareness (S.E.A.) and the Lions Club are co-sponsoring a moratorium on litter this Saturday, Nov. 14, from 12 to 4 p.m. This project includes picking up litter and other debris from Antioch's streets, highways, fields, streams, and other areas that need to be cleaned.

This is one time that everyone who cares about Antioch and their own future can do something to help it. All interested persons who would like to participate in this worthwhile project can meet at the Antioch High School on Nov. 14, at 12 noon.

Refreshments will be provided by the Lions Club for all participants on this project.

## Mrs. Westlake Dies At Age 93

Mrs. Clara A. Westlake, 93, of 519 Garys Drive, Antioch, died on Wednesday, Nov. 4, in Victory Memorial Hospital following a brief illness.

She was born May 3, 1877 at Bristol, Somersetshire, England, and came to the United States in 1903 to reside in Antioch.

She was a member of the Antioch Methodist Church and the Wesley Circle of that church, and was also a 50 year member of the Antioch Chapter No. 428, Order of the Eastern Star.

She is survived by a daughter, Mrs. Fanny (Fred) Yates, of Antioch, a brother, Fred Powles of McHenry, two brothers and one sister in England, three grand children and four great-grandchildren.

Services were held last Saturday at the Strang Funeral Home in Antioch with the Rev. Donald Cobb officiating. Burial was in Hillside Cemetery in Antioch.

## 4-Hers Begin Toastmaster Training

The Junior Toastmasters Public Speaking and Youth Leadership Program for Lake County has begun for 1970-71. It consists of a series of courses, coordinated by the Cooperative Extension Toastmasters Club to help boys and girls in 4-H learn more effective speaking, better indepth listening, and more evaluative thinking.

The program was developed by Toastmasters International, a world-wide public speaking organization, from the adult program which has benefited more than a million men and women since its introduction in 1924.

This year both the beginning and advanced courses are combined into one course which is conducted by Burnell Russell, Round Lake; Gil Fato, Libertyville; Carl Tharp, Mundelein; and Stan Spamer also of Mundelein. The group meets every other Monday evening, which began Monday, Oct. 26.

There is quite a large enrollment this year with representation from throughout Lake County.

Those enrolled are: Earl Shanks and Mary Markham, Mundelein; Eileen and Bill Regner, Carol Papiak and Yvonne Maassel, Round Lake; Sue Ehrhart; Linda Fillmore and Mike Wells, Gurnee; Rosemary and Ken Scheske, Alison and Susan Hevredoj, Leann Buchta and Gail Olson all of Antioch; Robin and Gale Walker, Libertyville; Susan Sargent and Kevin Mogg, Grayslake; Laura Sage of Park City; Sue Thelen, Spring Grove; and Richard Kubeltz from Ingleside.

At their meeting on Nov. 23, the Junior Toastmasters will sponsor a "parliamentary procedure" class which is open to all 4-H members of Lake County.

All Junior Toastmasters meetings are held at the Lake County Cooperative Extension Office on Rt. 45, 2 blocks north of Rt. 120, and they begin at 7:30 p.m.

## Rotary Sponsors Confab

At its regular weekly meeting, the Antioch Rotary Club agreed to sponsor the District Convention for the High School Interact Clubs.

President Al Schroeder moderated the meeting at which time there was a general discussion of an Interact Convention for District 644 in Antioch. President Schroeder advised the group that Rotary International and the District Officers have agreed to back the convention. District Governor Atchinson was quoted as saying that financial help would be provided for this event.

Antioch Rotarians including Gene Zannini, Les Shaffer, Bob Barth, and Bob Schroeder volunteered to help in the various areas, including housing, program arrangements, and sponsors.

The annual Christmas party was discussed, and it was decided that it would be held Thursday, December 17th.

## Rate Hike Explained By Bell

Revised rates for Illinois Bell Telephone Company in accordance with the order issued Friday (Nov. 6) by the Illinois Commerce Commission are effective starting Saturday, Nov. 7.

The new rates were formulated to produce the Commission's authorized increase of \$7,864,000. In its request of 11 months ago, the company asked for an increase of \$86,500,000.

Charles L. Brown, president of Illinois Bell, in commenting on the Commission's rate order, said:

"The Commission's order provides some relief for our earnings situation which has been deteriorating steadily through the effects of inflation since 1966.

"The request of nearly a year ago for an annual increase of \$68,500,000 in gross revenues from Illinois operations, was carefully tailored to maintain our ability to meet customer's growing demands for telephone service. We do feel the facts of our case would have justified the full amount of the increase.

"Since our request in 1969 there has been no abatement in the inflationary pressures which prompted the application for this first general rate increase in more than 17 years. Rigorous expense control efforts help, but they cannot stem the tide of rising costs.

"Our business requires very large amounts of capital funds and capital costs more than ever before. We accept the direction of the Commission to continue to spend about \$1,000,000 a day on construction so that customers may have the quantities and the quality of service they call on us to provide.

"We will, of course, maintain a very close watch on operating and financial results but unless the cost pressures moderate, we will have to seek additional help. In the meantime, we are determined to continue serving our customers to the very best of our ability."

There are variations in the increases in basic monthly rates by community and types of service, the company pointed out. To achieve a more equitable rate treatment for all, local service rate schedules have been grouped according to the number of main telephones which can be called without additional charge. For those communities which have had large telephone growth, increases are larger than those in which telephone growth has been more stable. In many exchanges, there have been no compensating increases since 1953.

The company said that the effect of the new rates on individual customers will be reflected in bills received by mid-November and later. Pamphlets with an explanation of the changes are also being mailed to customers.

A. M. Swan, Antioch manager, outlined the following increases in monthly charges.

For Antioch customers whose telephone numbers begin with 305 and 396 prefixes:

Residence-local area individual line from \$4.15 to \$5.15;

"Call-Pak, 50", individual line from \$7.15 to \$7.70.

Business-local main line from \$8.25 to \$11.35;

Metropolitan service main line from \$13.50 to \$14.85.

## Packing For Vietnam

The Christmas packages for our boys in Vietnam will be packed on Sunday, Nov. 15 and boxes will be packed at the Masonic Temple on that date by members of the Rainbow Girls.

There are 23 names on the list this year.

Donations of canned foods or

homemade fruitcake, along with other items are needed to make this mailing a success.

Donations can be brought to the Antioch News office or the Antioch Post Office up to Nov. 14. Donations can also be brought to the Masonic Temple on Main St. on Nov. 14.

## Salaries Okayed By Antioch High Board

The Antioch High School Board at a special meeting last week approved the professional negotiation agreement with the faculty, subject to their ratification.

It was the agreement reached after a week-long strike in October, caused by the board's rejection of a teacher proposal of "index system" for salary increases.

Accord was reached which grants average increases of about \$100 over the original board proposal but the index was eliminated.

The board also approved ad-

ministrative salaries for the 1970-71 school year. The superintendent will receive \$23,000; the assistant superintendent \$18,000; student affairs director \$17,000 and the guidance director's annual salary will be \$16,000.

The Jorgensen Co. will be paid \$7,628 for completion of plumbing work in the life-safety improvement program.

The 1969-70 audit was reviewed but a complete analysis will be presented at the next board meeting, according to business manager Jack Felget.

## Mental Health Group Selects Its Officers

Members of the Antioch Mental Health Association met on Oct. 28, at the home of Mrs. Edmund Vos.

Officers for the coming year were elected. They are as follows:

President—Mrs. Ray Lorenz  
Vice-President—Mrs. Clarence Spiering

Secretary—Mrs. Raymond Helms  
Treasurer—Mrs. Norman Tedde  
Manager of Antioch Thrift Shop—Mrs. Roman Vos.

It was announced that Mrs. Albert Bucar and Mrs. Gus Costoff will act as co-chairmen in planning for the 1971 Spring Cotillion. Plans were made to make con-

tributions to the Grove School for Retarded Children, the Lambs Club (Retarded Young Adults) and the Lake County Mental Health Clinic.

The money for these donations is raised by the Association by operating the Antioch Thrift Shop and by sponsoring the Annual Spring Cotillion.

## New Provisions For Vet Housing

A major piece of legislation designed to assist millions of veterans to get homes of their own

was signed into law Oct. 23 by President Nixon.

One provision wipes out an ending date for GI loan benefits for all veterans who served after Jan. 31, 1955, and also restores these benefits indefinitely to 8.9 million Korean Conflict, and World War II servicemen who did not use them earlier.

Another provision offers a veteran for the first time a program of loans for mobile home purchases—up to \$10,000 for a mobile home alone; up to \$17,500 if he gets a lot to place it on.

A third authorizes VA to make direct loans in any part of the country to certain seriously disabled veterans who are entitled to specially constructed housing. Administrator of Veterans Affairs Donald E. Johnson also called.

## Employment Survey Is Scheduled

The Bureau of the Census will conduct a survey of employment and unemployment in this area during the week of Nov. 15, Curtis T. Hill, Director of the Bureau's regional office in Chicago announced today.

In addition to the regular questions on employment asked each month, the survey will again collect information about supplemental or part-time jobs and the number of hours devoted to them.

The Bureau will also ask whether each person included in the sample voted in the Nov. election or had been registered to vote. Similar questions were asked in Nov. 1968, 1966, and 1964.

The households to be interviewed here are part of a scientifically designed sample that is representative of the entire U.S. population. The employment and unemployment statistics are collected monthly by the Bureau for the U.S. Department of Labor to provide a continuing measure of the economic health of the nation as a whole and of its major regions.

Facts supplied by individuals participating in the survey are kept confidential and are used only to compile statistical results. The law safeguarding the privacy of the individual applies to all information collected by the Census Bureau.

## Doc Solars Fearless Forecast

This fall—despite a delay in spore producing fungi—was one of the best seasons for the most sought-after mushrooms in the last 25 years.

In keeping with the radical weather changes from the first of September till this week it was very unusual to see a repetition of the famous four types of mushrooms that normally will succeed each other as climate conditions change.

The so-called lowly mushroom comes into its own as a weather forecaster and through erratic growth this year indicates very sudden change from freeze to thaw and freeze again through this coming winter.

I can't foresee anything but a sudden freeze in late November, an Indian summer-like period in December and then hitting us

## Earl Mount Dies At 79

Former Antioch resident Earl E. Mount, 79, died Monday, Nov. 2, in Gravette, Ark., he has been reported.

Mr. Mount owned and operated the Mount Hatcheries on North Main Street in Antioch from 1934 to 1948 when he retired.

He is survived by his wife, Marjorie, of R. R. 2, Gravette, Ark., a daughter, Mrs. Kenneth (Phyllis) Holton of Wilmette, and two grandchildren.

## Grass Lake OpenHouse On Nov. 16

A regular meeting of Grass Lake PTA will be held on Monday, Nov. 16, at 7:30 p.m. After a short business meeting an invitation is extended to parents to visit their child's class room and meet the teacher.

Refreshments will be served by 5th grade room mothers.

A grateful thank you to all who donated articles, bake goods, and their time to make the Nov. 7th Rummage and Bake Sale a success.

New Challenge  
To Health Care

In an unprecedented decision, the Illinois Supreme Court has held that both hospitals and blood banks are "strictly liable" to patients who contract transfusion-induced hepatitis.

Furthermore, Illinois may apply the theory of "strict liability" whenever a hospital furnishes a "product" (as blood is considered) to a patient. The theory may even extend to physicians in the same circumstances.

The Cooperative Blood Replacement Plan, a not-for-profit service that works with 57 member-hospital blood banks to assure donors and their families of free unlimited blood replacement, and the American Association of Blood Banks for many years have urged legislative action which will characterize the provision of blood for transfusion as a service, rather than the sale of a product.

Obviously, we cannot recommend that transfusions be withheld. To withhold necessary medical care presents a greater risk of liability than the risk of liability for post-transfusion hepatitis.

This November again has been proclaimed Blood Donor Month for despite the medical/legal furor, the need remains.

Blood cannot be produced synthetically. It can only come from human beings. Occasionally these donors may have dormant cases of hepatitis... a disease which medically cannot be identified in blood.

The question arises, should people stop donating blood for this reason? This would spell disaster. Deaths from surgery, accidents, sickness and childbirth would increase drastically.

To avoid such tragedy, your duty, this November is two-fold;

1) Join thousands of Chicago area families by donating a pint of blood to the Cooperative Blood Replacement Plan. By virtue of your participation, and that of your neighbor's, Chicago will be assured of a supply of healthy blood for emergencies, and you will be assured of help if your family is in need;

2) Ask your legislator to assist the passage of legislation which would establish a blood transfusion as a service, rather than a product. Such a measure would exempt blood from the doctrine of strict liability. This would alleviate the possible deleterious effect of this unfortunate decision by the Supreme Court, which places hospitals and physicians in the disastrous dilemma of choosing between a possible infectious transfusion or a malpractice suit for failure to administer a life-saving transfusion. The Illinois State and Chicago Medical Societies, the Illinois Hospital Association and the Chicago Hospital Council strongly support such legislation.

Rotary Club  
Pays Debt

Last Friday night the Antioch Rotary Club paid its debt to the Antioch Interact Club for having lost their annual softball game. The payment consisted of a smorgasbord at Obie's in Waukegan. As might be imagined, the 24 high school boys attending went through the food line as many as five times. Following dinner, the high school boys presented a program for the eight Rotarians present which consisted of musical arias by the freshmen. Arrangements were also made for five members of the Interact Club to present five minute talks at the Rotary meeting of November 19th.

## Degree Candidate

M. Deborah Strom is a candidate for a bachelor of arts degree from Augustana College, Rock Island, at the close of the fall quarter, Nov. 23.

The college will hold a convocation Friday, Nov. 13, honoring the 44 seniors who are expected to complete requirements for degrees at the conclusion of the fall and winter quarters.

Miss Strom, an English major, is a daughter of Mr. and Mrs. Gustav Strom, 495 Winsor Dr., Antioch.

ed attention to provisions of the new law which:

\*Eliminates a VA funding fee of 5 per cent on guaranteed and direct home loans to veterans who served after Jan. 31, 1955.

\*Authorizes VA to guarantee loans to refinance existing mortgage loans or other liens on homes owned and occupied by veterans, and allows borrowers to pay lenders any required discounts. The guaranty may be for 60 per cent of the loan, or \$12,500, whichever is less.

\*Authorizes VA to guarantee 60 per cent, or up to \$12,500 of loans for veterans to purchase family units in condominium projects insured by the Federal Housing Agency.

\*Eliminates Jan. 31, 1975, as the terminal date for VA's direct loan program.

with a below zero freeze the middle of January. However, the freeze will be of a short duration. All in all, periodic snow will please all snowmobile fans through the middle of the week with melting conditions over the weekends.

The mushrooms have spoken for this winter—no large amounts of snow at any one time, but total accumulation should more than average itself out.

Another warning—there will be yet another crop of mushrooms for later this season but don't pick unless you're positive of the species. That could lead to confusion of modern forecasting. After all the mushroom is a product of the soil and its environment instead of man's knowledge of instrument reading.

## ALONG THE WAY with Annie Mae

## HAPPY ANNIVERSARY

To Hilma and Dan Lightsey on their 33rd anniversary, and Happy Birthday to their grandson, Chris Galgan on his third birthday. All enjoyed the happy occasion with the Lightseys, Karen and Bruce Galgan, Julie and Dave Miller, and Mr. and Mrs. M. Galgan and Mr. and Mrs. R. Galgan.

Speaking of Anniversaries, Fran and Lee Reeder went out on the town last Saturday to jointly celebrate their anniversary with three other couples. This is an annual event and all look forward to it each year.

## NEW OUTFIT

Police Chief Jack Davis traded in his uniform for a tuxedo last Saturday as he gave away his daughter, Bonnie, in marriage at St. Peter's Church. It was hard to tell who was more proud, Betty, the bride's mother, made the wedding gown. Bonnie and Mike Gembara left for a honeymoon to Jamaica.

## WORKERS' PARTY

Bill and Mary Barr hosted a party for the committee of St. Peter's Thanksgiving festivities. They were served a lovely buffet and the entertainment was great. Bill's mother, Catherine was the pianist and the group enjoyed singing many of the "Old Favorites" for an hour or so. This ought to be an incentive for all the workers to work even harder.

**MOVED TO MISSOURI**  
Jack Vos and his family have moved to Kimberling City, Missouri, where Jack will be working with a construction company.

**GET WELL WISHES**  
Several of the girls from the Tuesday early bowling league are in the hospital. Hope to see them back soon. Also, heard that Irene Teresi has come home from the hospital.

**SUCCESSFUL ANGELS**  
Heard that everyone was most happily impressed with all the new look of the PM&L Theatre which opened for the new season last week. Another great weekend is coming up with "My Three Angels" still on stage. All the eager workers were finishing up just minutes before the show opened and Ricky Apostol stepped off a small step and now we call her Rickety, Rick.

**Marie Martin Lense Passes Away**

Marie Martin Lense, 61 years old of Antioch passed away Nov. 11, at 3:15 a.m. in Victory Memorial Hospital. She was born Feb. 20, 1909 in Germany and came to this country in 1949 to Chicago and has lived in Antioch since 1951.

Survivors are one son, Rudolph Lense of McHenry, two daughters, Mrs. George (Catherine) Pach of Prospect Hts., and Mrs. William (Wally) Hankley, Salt Lake City, Utah, also three sisters, and one brother living in Germany. She is also survived by nine grandchildren.

Funeral services will be held at 1:30 p.m. Friday, Nov. 13, at the Strang Funeral Home. The Rev. Philip Laurin of St. Stephen Lutheran Church will officiate. Interment will be in Hillside Cemetery, Antioch. Friends may call at the funeral home after 3 p.m. Thursday.

Leadership  
Institute  
Scheduled

The fourth Illinois Fire Department Leadership Institute has been scheduled for Nov. 20-22 at the Des Plaines Theatre Guild Auditorium, Des Plaines, Ill.

The Institute is sponsored by the Firemanship Training section of the University of Illinois Division of University Extension in cooperation with the fire service organizations of Illinois and the Des Plaines Fire Department.

The purpose of the program is to increase the leadership capabilities and firefighting effectiveness of fire department officers in combating routine and unusual fires.

It is open to all volunteer or paid firemen and officers. There is no charge for enrollment, and pre-registration is not required.

## American Legion Auxiliary News

By DEL JAHNEKE

Approximately 350 legionnaires and auxiliary members were at the Homer Dahlinger American Legion Home in Waukegan, on Sunday, Nov. 1st, for the Fall Meeting of the Second Division, Illinois American Legion and the Auxiliary.

Division Commander Lee Wolfe, Rock Falls, conducted the men's meeting upstairs, while the women met downstairs, with Division President Mrs. Victor Jovanovich of Ottawa, as the presiding officer.

Representing the Antioch American Legion Auxiliary were Mrs. Ray Rathmann, 2nd Division Treasurer; Mrs. John L. Horan, Past District Director; Mrs. Edward H. Jahneke, 10th District Communications Chairman; Mrs. John W. Horan, Unit President; and Mrs. Frank Kennedy, Unit Treasurer. John L. Horan was present as the State Legion Historian.

Robert Maxwell, Mundelein, representative of the State Legion Children and Youth Commission, introduced two young people from Gateway House in Lake Villa. A 16 year old girl and an 18 year old youth spoke on the drug abuse program, and how drug addiction had directly affected their lives. They told of the excellent rehabilitation offered by Gateway House. There was an extended "question and answer" session after their talks. The young people said, in closing, that everyone was welcome to visit Gateway House every Saturday evening.

Division Child Welfare Chairman Mrs. Clarence Sandberg of Joliet stressed the need for all the units to increase their amount of money they are sending to the spending money fund of the children at the Illinois Soldiers and Sailors' Children's School at Normal. The Illinois American Legion and the Auxiliary have sponsored ISSCS many years.

Distinguished guests were Department (State) Legion Commander Richard Nicoles of Danville, and Division Commander Lee Wolfe. They gave brief talks praising the work of the American Legion Auxiliary, and emphasizing their importance as a "Helping Hand" to the American Legion.

The following Division Chairmen from 10th District gave short talks on their respective programs—Mrs. William Schultz,

Sharvin Unit, Leadership Development; Mrs. Richard Brady, Gurnee, Legislative; Mrs. Al Dorn, Mundelein, Junior Membership; and Mrs. Norman Holt, North Chicago, Poppy Program.

As Junior Past Division President, Mrs. C. Sandberg was a delegate to the recent national convention of the American Legion and the Auxiliary, held in Portland, Oregon. She related many highlights of the Convention—hearing the speech of National Vice President Spiro Agnew, and telling of the impressive installation ceremony of Mrs. Charles Shaw of Paxton, Illinois, as National Auxiliary President. She is the third National President from Illinois in the 50 year's of the Auxiliary's organization, and Illinois is proud of their "Rae Shaw". Mrs. Sandberg then showed colored slides of these events, and some of the scenic beauty spots of Oregon.

Division Foreign Relations Chairman Mrs. Ruth Mrachek of McHenry displayed clothing, jewelry, native "Panama" straw hats, and dolls dressed in authentically designed costumes of the Panama people. The American Legion Auxiliary will be studying Panama this year, and helping monetarily in needed civic projects. The Juniors will also be studying this country and entering the doll dressing contests. This knowledge was of special interest to Mrs. George Mitchell, Grayslake, 10th District Foreign Relations Chairman, and to Mrs. Ray Rathmann, Antioch, 10th District Junior Activities Chairman. The members there contributed \$25.00 to the CARE program for Panama.

A lengthy discussion followed on the proposed new Division By-Laws and Standing Rules by Chairman, Mrs. Al Dorn.

There will be a 2nd Division Membership Rally on Sunday, March 7th, at 1:30 p.m. at the Harwood American Legion Home in Joliet.

The Antioch American Legion Auxiliary No. 740 held its regular meeting Monday evening at the American Legion Home. Mrs. John W. Horan, president, conducted the meeting.

Included in the business transacted were reports from the delegates who attended the Second Division Fall Meeting of the Illinois American Legion Auxiliary, held at the Homer Dahlinger

## Topics for Today's Women

THURSDAY, NOV. 12, 1970 THE ANTIOCH NEWS

### Woman's Club Program Is Big Success

Antioch Woman's Club, member of the 10th District of Illinois Federated Woman's Clubs met at the Club House on Monday, Nov. 2. Despite the dreary rainy day, some 50 members came to hear the program on "Palmistry" by Stephanie Leeder. However, the scheduled program was not given, but an excellent presentation of the comedy "Forty Carats" was given by Sadie Stern Merel. The play is currently running in New York in its third year, and now has Za Za Gabor in the leading role. It also made a big hit at the Club.

Mrs. Joan Toft, president, and Mrs. Donald Purdy, vice president, were guests at the Fall meeting of the Lake County Federation at Grayslake Woman's Club on Oct. 9th and announcement was made of the winter meeting on Dec. 8th to be held at the Lake Forest Woman's Club in Lake Forest.

The Big Gold Star goes to Mrs. Dan Maras for her overwhelming success in the recent "Make It Yourself" Wool Contest held in Rockford. Mrs. Maras won first place with her two-piece suit consisting of a red wool dress and three-quarter length coat with accessories of a silver fox hat and muff. Accompanying her were 16 girls and ladies representing Lake County Farm Bureau, and ten of these won top honors in the different categories in competition with 48 other entrants. Mrs. Maras also appeared on the Jim Conway show representing Designers Fabrics of Evanston and modeled her winning outfit on television.

Forty women from the Lake Region attending the Jim Conway show shared in her success. Another member of the Maras family, son Scott designed the President's table decoration—a carved pumpkin wearing a gas mask borrowed from the Antioch police department, with the notation "Even pumpkins are worried about pollution" a timely warning to be sure to vote on the Pollution issue. Mrs. Jo Shute passed out literature on this subject.

Hostess committee were Mrs. Joseph Pajitovsky, Sr., Mrs. Charles Solar, Mrs. Laura Lang, Mrs. Roman Vos, Mrs. Lester Osmond, Mrs. Edward Abderholden, Mrs. Harold Jennings, Mrs. Mabel Timmons and Mrs. Frank Rhode.

The next meeting will be on Nov. 16, and the program, "Something for You" by Dorothy Lind will give some good ideas on Gift Wrapping. Consult your year book and get in touch with Mrs. Ted Larson if you are on her committee.

### Lakeside Rebekah Lodge No. 82

By Del Jahneke

Three new members were initiated into Lakeside Rebekah Lodge membership at their November 4th meeting, held at the Antioch American Legion Home. Mr. and Mrs. Franklin Crandall and Mrs. Helen Johnson have joined this Rebekah Lodge. Mrs. John Hagen, Noble Grand, was the presiding officer at the meeting and initiation.

Mrs. Charles Ferris, District No. 3 Vice President, and Mrs. Walter Buchert, Junior Past Noble Grand, were delegates at the State Rebekah Assembly, held in the Armory in Springfield, recently. There were delegates present from all 33 districts in Illinois.

They were very impressed with the beautiful, colorful installation of state officers with Mrs. Minnie Davis of Chicago as State President; and Mrs. Nora Price, Vice President; Warden, Mrs. Elvira Fenton; Secretary, Mrs. Alma Farris; and Treasurer, Mrs. Olympia Macari, as the other State elected officials.

### Where The Boys Are

Airman Fredrick A. Wittleder, son of Mr. and Mrs. Fredrick W. Wittleder of Rt. 3, Antioch, has completed basic training at Lackland AFB, Tex.

He has been assigned to Shepard AFB, Tex., for training in the data systems field. Airman Wittleder is a 1967 graduate of Antioch Community High School and attended St. Procopius College, Lisle, Ill.

Marine Pfc. George A. Grenus, son of Mr. and Mrs. Frank R. Grenus of 406 W. Monaville Road, Lake Villa, was magnificently promoted to his present rank upon graduation from the Individual Combat Training School at Camp Pendleton, Calif.

Grenus is a 1966 graduate of Grant High School, Fox Lake.

The meeting was called to order by Senior Regent Erna Holt, who then instructed the guides Karen Bartuska and Dorothy Puig to escort Library Chairman Marsha Priko to the altar. The guides then escorted Miss Betty Lu Williams, of the Antioch Library, into the Chapter room, where she received a book donated by the Library Committee to be placed on the shelves for the public enjoyment. Miss Williams thanked the Chapter, and invited everyone to visit our new library to see all the different facilities they have to offer.

Chairman Marsha Priko then introduced the members of her committee. Those present were Anna Carpenter, Helen Lovell, Leslie Jones, Marge Hartman, Lillian Meraty, and Gerry Schumann.

The Library Committee invited Mrs. Mary Roemer to be their guest speaker. As she has been blind for only three years, she greatly impressed the Chapter with her list of accomplishments. She explained the Braille system of writing, typing, and reading books. As Mrs. Roemer is very interested in education, she is constantly acquiring new skills. She knits, crochets, keeps her own house, loves to play cards, and is in the process of learning to use a knitting machine. This will enable her to widen the field of articles she creates to make her living. Mrs. Roemer is a tremendous example that a blind person can lead an exciting and interesting life in a sightless world.

The Chapter then proceeded with the enrollment of new Candidate Sophie Trembay, who was sponsored by Marsha Priko.

After the reading of the previous minutes, Recorder Jerri Polson read the new applications, and the Chapter returned a favorable ballot. The Chapter has extended their appreciation to Civic Affairs Chairman Barbara Seelhoff on her tremendous success with the Homecoming float, and also with the Children's Hallow-

## Community Friendship Night Set

The Antioch Evangelical Free Church Ladies Fellowship is sponsoring a "Community Friendship Night", on Wednesday, Nov. 18, at 8:00 p.m. in our church, inviting ladies from Antioch and the neighboring communities to join them.

The well known Stanley Fleming, commercial artist, will be featured as the guest speaker and displaying some of his talents for the ladies to make it a delightful evening.

Mr. Fleming's work has been seen in many known magazines such as Life, Look, Post, Holiday, Esquire, and Sports Illustrated. He graduated from the Art Institute in Chicago and was an Army Cartoonist after which he began his work with Fleming Studios in Chicago. He is a warm, personable man with a desire to reflect Jesus in his home and family as well as in his work.

There will be a time of refresh-

ment. This Committee and all those who helped, worked very hard to make these projects something to be very proud of.

Senior Regent Erna Toft awarded Chapter pins to June Litner, Kay Starostovic, and June Lieber for attending three consecutive meetings.

On the calendar, the Chapter is reminded that November 19 is Junior Graduate Regent Rose Marie Hadley's Green Card Night. As this is an open meeting all co-workers are asked to invite their friends, as the Deputy Grand Regent of Illinois, Jo Miller, is the guest speaker.

The Legion of the Moose will hold a card party on November 15, at the Lodge at 8:30, and the most hilarious event of the year will be on November 21. This is the men's style show with a new twist—one of the men will be crowned "Mess America," and his promises to be an occasion for everyone to "Enjoy! Enjoy!"

ments when those present may become more acquainted with those who also seek to serve Jesus here at home and around the world.

Libby's back-home goodness. It's something extra.

Antioch's victorious Sequoits parade through town Saturday after trouncing Grant by a 59 to 0 score to break a school record and win a share of the conference crown.

## Sequoits Share Title

By the Twelfth Man

Our game Saturday against the Grant Bulldogs erased the school scoring mark of 51 points as we trounced Grant 59-0. It brought to an end one of the most exciting seasons in our school history.

After our 6-6 tie with Rockford we won four straight. The first two wins were from behind victories over Lake Forest and Round Lake. The third win was over Waukegan during the week of our teachers strike. The fourth was another come from behind win over Lake Zurich.

This game was probably the most exciting game all year, as

we pulled it out with just 0.18 seconds left in the game. The following week we lost our only game in a few moments of mistakes to a tough Grayslake team. Many people thought we would drop out of contention because of a let down after the Grayslake game, but we came right back to beat Warren. Then we finished up with our victory over Grant. This gave us a 6-1 record for the season and a 6-1 record in conference to tie for first place with Grayslake.

The Grant game marked an end of a long season of hitting the seven man sled, running through tires and running wind sprints. The coaches were always pushing us, trying to get us to go faster, and sharper, or throw farther.

The team really did a great job this year but instead of writing about who scored the touchdowns and who threw the passes, I think we should give credit to our coaches. They brought us through a great many trying situations this year. They kept us up for those four come from behind victories. They helped us a great deal that week of the teachers strike. We played the game, but we were only carrying out their game plans.

When we lost to Grayslake they were ready to take the blame for the loss but when we won a game they gave us all the credit. Mr. Bartosz was just fantastic in the way he handled our defense this year and you can see how Mr. DeRousse's offense worked by our 59-0 victory over Grant. Mr. Nelson is the man who really

made this team. He took our team, picked from anywhere from fourth to sixth place, and inspired in us something called pride. Pride is the thing that gave us those come from behind victories and enabled us to tie for the conference lead.

They don't give Coach of the Year awards in our conference, but if they did I think Mr. Nelson would win it easily for the job he did this year.

## Conference Rounds Out Membership

The Skyway Athletic Conference, formed by six Chicago area public community colleges last December, just rounded out its membership with the addition to its roster of Amundsen-Mayfair and Oakton Community Colleges.

According to Dr. Russell O. Boyer, Skyway Conference Secretary and Dean of Student Services at the College of Lake County, the welcomed addition of these colleges brings additional balance and strength to the league.

The Skyway Conference began competition at the junior college level this fall in cross country, golf, and wrestling, which will soon be followed by basketball and later by baseball and tennis. Charter members of the league, in addition to the College of Lake County, are William Rainey Harper College, McHenry County College, Triton Junior College, Elgin and Waukegan Community colleges.

The Conference's two new members will begin competition next fall. Amundsen-Mayfair Community College in Chicago is phasing out its membership in the Northern Illinois junior college league. Oakton Community College in Niles will field its first athletic team with the Skyway Conference.

## Basketball League Is Set To Play

The revamped and expanded Basketball Association will open its second season on Nov. 19, commissioner Jack Nagle has announced.

The pro circuit's two new members, the Milwaukee Muskies and Northwest Travelers, based in Arlington Heights, Ill., will meet in the only game on opening night, a 5:30 p.m. clash in Milwaukee Arena. The league's six charter members open the following weekend with Waukegan (Wis.) visiting the Grand Rapids (Mich.) Tackers and Decatur Bullets entertaining the Peoria Chiefs on Nov. 14 and the Waukegan Wizards hosting Waukegan and Rockford Royals entertaining Northwest on Nov. 15.

Last season Waukegan, then known as the Medallist Mods, won the league title by a full two games with a 15-5 record. This time the club, which will be renamed at a local contest, should find things more difficult with all the teams beefing up their rosters considerably.

Even the League's coaching fraternity has undergone a shake-up with a fine new head man in charge for the 1970-71 campaign. Only Willie Jones of Grand Rapids, coach of the year Ted Campbell of Decatur and Vic Anderson of Waukegan were CBA mentors last season.

Peoria hired former Bradley star Gurley Johnson to guide the Chiefs. Rockford will be headed by Steve Cebos, a former player-coach at Camden, N. J., in the Eastern Coast League, while Waukegan turned to Jack Young, a Northern Illinois alum who was both a player and general manager of the Wizards a year ago.

Ron Blomberg, a respected Wisconsin prep coach and member of Wisconsin's last Big Ten cage champion team, was picked to coach the Milwaukee team, the first NBA farm club to join the CBA, while Northwest tabbed Ron English, who played college ball at Illinois State, later played with the Kansas City Steers of the ABA and Toledo of the Midwest League and then served as player-coach at East Hartford, Conn., another minor league club.

Although there will be many new faces on the various teams when firing gets underway, most of last season's top stars are back, including Decatur's Hubie Marshall, the top scorer average-wise with a 35.7 mark and author of five games, in excess of 40 points; Peoria's Ron Dunlay, the rebound leader with 2.33 in 19 games; and most valuable player Joe Franklin of Waukegan.

## Sophs Whip Grant

The first play following penalty against Grant, Antioch scored. The score was tallied by Charlie Chapman on a 45 yard run which started to the right and ended up over the goal on the left side of the field.

The first half ended with the Sequoits on the one foot line, and the score 18 to 6 in Antioch's favor.

Charlie Chapman scored twice in the first half on runs totalling 59 yards. His pass to Fred Popp covered 22 yards and the third TD for the half.

In the second half Charlie Chapman hit Fred Popp on the same pass play for 36 yards and a TD. Charlie Chapman ran 52 yards for Antioch's final tally of the day. He compiled 146 yards.

Dave Piironen ran 86 yards and Andy Feldman picked up 17 yards.

The Antioch defense had a field day. Doug Banwart intercepted two passes. Glen Amundsen, one and Chapman one for what must be a record number of pass interceptions. Tom Rayniak recovered a fumble on the 38 yard line to cause another turnover.

Grant's highly touted offense was held to one TD by a tremendous effort of the Sequoit defense. Their second score came against our reserves.

Gordon Silianoff added two kick conversions which made the final score 32-16. Many of these players are looking forward to next year's varsity competition.

## Important Dates For Students

Two important dates for students of the College of Lake County have been incorporated into the calendar for the third week of November with the designation of Monday, Nov. 16, as Transfer Day, and Wednesday, Nov. 18, as Advising Day.

According to Mr. Walter Petersen, Director of Counseling at CLC, representatives will be available to meet with full and part-time students and to discuss requirements and procedures for transfer to state universities. Representatives from Western Illinois University, Northern Illinois University, Southern Illinois University, Illinois State University, the University of Illinois, and Northwestern Illinois University will be available between 10 a.m. and 12 noon and between 1 p.m. and 2 p.m. Chicago area university representatives from Carthage College, DePaul University, Loyola University, Roosevelt University, and the University of Wisconsin, Parkside will be available in the evening between 7:30 p.m. and 8:30 p.m. There is no need for students to make an appointment as representatives will be available on an open schedule.

On Advising Day, Nov. 18, students and their advisers will have an opportunity to evaluate current progress and planning for the second semester. Participants in Advising Day activities will have an opportunity to pre-register for the second semester and to discuss the selection of courses for next semester with advisors. Also, students approaching graduation will have an opportunity to discuss graduation requirements.

The schedule for Advising Day is as follows:  
9:30 a.m. to 12 noon—Students whose last name begins with A-L.  
1:00 p.m. to 4:30 p.m.—Students whose last name begins with M-Z.

Following a vehicle too closely leaves a very small margin for safety. The recommended following distance under ideal road conditions is one car length for every 10 miles an hour. If roads are slippery, traffic heavy, or visibility poor, a much greater distance is required.

## Rate Nike...

(Continued from page one)  
Here are other items included in the new rate schedules affecting Chicago and suburban customers:  
The charge for message units not covered by basic monthly charges is increased by a half-cent.  
Calls of Chicago and suburban Metropolitan Service customers to the Outer Metropolitan Area go on a unit billing basis, rather than being charged as long distance calls.

A new service, "Super Call-Pak," enlarges the unlimited calling area to include the Outer Metropolitan Area.  
A uniform initial calling period of four minutes for message units is introduced. This calling period formerly ranged from three to five minutes.

Many initial period rates for coin phones between Chicago and suburbs, and between suburbs, are increased, mostly by a nickel; for such calls, the initial calling period also is four minutes.

Following are the changes in charges for within-state long distance calling:  
Some initial period rates go up a nickel.  
Bargain calling periods for station calls have been extended. Lower rates apply weekdays from 5 p.m. to 8 a.m. and all weekend. Dialed calls get even lower rates from 11 p.m. to 8 a.m. every day, all day Saturday and from 8 a.m. to 5 p.m. Sunday.

A new method of computing overtime charges, a "round-the-clock" rate schedule for person calls, a surcharge for some third-number calls and complete uniformity in the initial and overtime periods (three minutes and one minute, respectively) also are established.

A new charge of 50 cents per month will be made for "private directory" service. It is for the subscriber who prefers not to have listing information in directories, or in directory assistance records.

The new schedules also include a variety of increases in charges for business telephone services,

but they dropped two games to Norm Ross 201-645, and the Shady Nook five.

Dale Crandall found the alleys to his liking, pacing Old Hickory Inn to a pair of wins over Helvetia Hotel, for Dale 210-210-183-603, and Lou Fortalski 205-548 for Helvetia Hotel.

Joe Bachara, 235-564, and Pete Lehmann, 222-584, led Kempf's Resort to three wins over The Angels. Eddie Lindstrom 204-571 for The Angels.

Ward Kiehl, 209-528, led Paty's Lounge, but they dropped two games to Fiddler's Green. Keith Kube 203-547 for Fiddler's.

John Kleckl, 202-566, and John Benes, 214-583, paced Mr. Ed's Tavern to 3 wins over Maggie and Bob's Tavern. Don Pyles, 187-547 for Maggie's.

### Circus Clown...

(Continued from page one)

was the owner of Lee Bros. Circus of Madison, Wis., and for a number of years before World War I, Gene's dad at early high school age left his father's circus and joined a rival circus, "Buffalo Bill's Wild West Show."

Gene, like his father, toured the nation after regular school terms with his parents, sometimes assisting his father posting circus billboards, tacking fence cards, selling popcorn, setting chairs in the main tent and various other circus details.

As he grew older he sometimes filled in as a clown, when some other clown became ill or was called out of town for family illness.

After he had done this task for a number of times he began to like clowning and was soon part of "Clown Alley." Otto Grebling, clown with the present Ringling Bros. Circus gave Lee the name "Cousin Otto," when he first began to stand in for missing clowns. Grebling said, "You are just like one of the family... a cousin," so Lee adopted the name.

After representing three major tent shows for 19 years, "Ringling Bros., Barnum & Bailey; Cole Bros., and Clyde Beatty-Cole Bros. Circuses Gene retired from the sawdust trail and settled through marriage in Whitewater, Wis.

He has also been the official Red Dot Potato Chip Clown for a Madison concern and has appeared in Southern Wisconsin and Northern Illinois at Grand Openings and Fairs. So a tally of 32 years are marked by "Cousin Otto."

### CHRISTIAN SCIENCE CHURCHES

Peace and love are actually available to everyone. This is a theme of the Lesson-Sermon, "Mortals and Immortals" to be read Sunday at Christian Science churches.

"If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new," the Golden Text from II Corinthians states.

One of the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states:

"This scientific sense of being,

forsaking matter for Spirit, by no means suggests man's absorption into Deity and the loss of his identity, but confers upon man enlarged individuality, a wider sphere of thought and action, a more expansive love, a higher and more permanent peace.

Services at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, will begin at 11:00 a.m. All are invited to attend.

## LAKE VILLA NEWS

By Mrs. Bernice Bernat  
356-5649

**GOLDEN ANNIVERSARY**  
Mr. and Mrs. John (Mary) Cepon of Simi Valley, California, formerly of Golden Road, Lake Villa, returned here last Wednesday to celebrate their 50th wedding anniversary.

Eighty relatives and friends attended a brunch at the Brae Loch Country Club. An anniversary mass was celebrated by the Rev. Michael Cepon in St. Gilbert's Church, Grayslake.

The former Mary Savaglio was married to John Cepon Oct. 24, 1920, in St. Joseph's Church, Waukegan. They owned a grocery and meat market in Waukegan, and were in the milk business in Lake Villa for 15 years. The couple moved to California two years ago. They were members of Prince of Peace Church while they lived here.

The Cepons have three children, Albert of Eckert, Colo., Mrs. W. J. (Helen) King, 2447 Linden, Waukegan, and John of Wadsworth. There are three grandchildren.

The Cepons will be here until Thanksgiving.

were in the 2 to 4 age group.

In the 5 to 6 group, Ruth Mary Cassidy as the Statue of Liberty and Jimmy Sweeney as a caveman, received roto-draw games.

In the 7 to 9 age group, Lisa LaPaglia as a pumpkin, and Mike Glogovsky as an Indian, each received the aggravation game.

Mary Garcia received a record for a witch costume. And Scott Gibbons a hockey stick for being a pretty girl. They were in the 10 to 12 group. Also in that group Danny and Tommy Parpan, dressed as a man and woman from the "Laugh-In" show received a hockey stick for a couple prize.

For the 13 to 15 age group, Cathy Garcia received a record for her ballerina costume.

The youngsters were treated to orange juice, candy and movies.

## An easy reducing plan for Long Distance budgets.

Here are a few simple exercises that'll help you trim down the out-of-state Long Distance portion of your phone bill.

Exercise number 1: Take your forefinger and dial the number yourself. If you're calling out-of-state, 200 miles or more, it's cheaper to

dial direct than to go through the Operator.

Exercise number 2: Scribble down this note to yourself a hundred times: "Evening bargain rates now start at 5 pm instead of 7 pm on weekdays. Bigger bargains apply all day on Saturday; and Sunday till 5 pm."

Exercise number 3: Switch off the late show and sprint over to the nearest phone. Because every night from 11 pm to 8 am, you can dial a one-minute call for as little as 35¢ or less. For each additional minute, the rate dips to 20¢ or less.

You'll be amazed what these little exercises can do to trim your Long Distance phone bill. To learn more (including tips for calls within the state, too), write to Illinois Bell, Box LD-30D, 225 W. Randolph, Chicago, Ill. 60606.

We'll send you the free folder "How to Get More for Your Money on Long Distance Calls." It's guaranteed to get rid of budget bulge.

We're a lot more than just talk.
